

Internal regulations for use of "Marea Baja" APARTMENTS

- * The "Marea Baja" apartments have internal regulations that the Client must comply. In case of default, the property has the power to unilaterally terminate the contract without any refund of the amount of the stay.
- * The agreed price is for the number of people and nights hired and in no case will more people than those hired be admitted without prior notice.
- * If there is any withdrawal and / or eviction before time, the client must pay the number of days contracted.
- * Not allowed:
 - + move the furniture.
 - + celebrate parties or meetings that cause: dirt, noise, damage, breakage and / or danger; neither inside the house nor in the garden.
- * Out of respect for the rest of our clients, please do not make noise between 24h and 9h.
- * The invoice will be paid in full upon arrival.
- * Please take care of the furniture and leave the house as clean as possible.
- * Do not accumulate garbage inside or outside the house, since the closest container is located 20 meters from the parking area.
- * In winter, it is very important to conserve heat, so doors and windows must be kept closed while the heating is on to avoid energy waste.
- * It is not necessary to ventilate or keep the windows open for long periods of time, as the homes have a recuperator that avoids the need to have the doors and / or windows open for long periods of time.
- * If there is a breakdown or breakage, you should contact the property to try to fix it as soon as possible.
- * No pets allowed.
- * Smoking is not allowed in any room of the house. Law 28/2005 of December 26. B.O.E.27-12-05.
